

## CIL plant causes excitement in Sturgeon

"That excites us," was the comment of Reeve of the MD of Sturgeon Bill Flynn, August 28.

The Reeve made the comment after four representatives from Canadian Industries Limited (CIL) gave the run-down on a \$250 million polyethylene plant which could be located in the MD in the not too distant future.

Particularly good for the MD is that they can look forward to a vast increase in their assessment if the plant locates on section 35, next to the North Saskatchewan River. Right now the MD's assessment is only \$25 million and only seven per cent of this comes from industry. With the coming of the plant a further \$25 million will be added to the tax roll.

This will depend on whether or not a pipeline can be built from Red Deer to supply the ethylene gas on which the plant will depend. Apparently there are many complexities to be solved

before a similar plant can locate in Red Deer though as yet there do not seem to be any problems for the plant being settled near Edmonton.

There was a public hearing slated in the MD of Sturgeon August 28 regarding the rezoning of the section from heavy industrial reserve to heavy industrial but a spokesman for the MD said that no serious objections were expected to be raised at that hearing.

CIL came to the meeting in the MD last week boasting \$500 million worth of sales for 1974 alone. The firm makes chemical products from plastics, agricultural chemicals, ammunition and explosives and is already building a \$50 million explosives plant east of Calgary for operation in 1976. Nearer home the firm operates a polyethylene resins plant in Edmonton.

According to a CIL representative at the MD meeting, the firm has a potential for

half the Canadian market in products which range from garbage bags to wire and cable coatings.

The plant which could be located in Sturgeon would have a capacity of 450 million pounds of polyethylene a year. Total production of the product in Canada over 1975 was 480 million pounds and by 1980 this is expected to reach 1070 million.

Personnel requirements at the plant will be about 360 ranging from top technicians to clerical workers, mill rights and electricians. This should greatly enhance the local labour scene and CIL do not believe that the plant will overtax the locality's ability to house people as they move into the area for potential job opportunities. There could be up to 1600 jobs at the site for construction workers between the time the environmental impact study is completed in October this year and the site operating application in 1977. It would take three years to build the plant if it gets underway, possibly by next spring.

Mr. R. A. Bowie for CIL said that company policy on the conservation of the environment was "more stringent than provincial and local regulations."

Main element at the plant

will be two compressor units in which gas will be piped at pressures from 20-25,000 lbs. per square inch caged in by four to six feet thick walls. The gas is liquified, then hardened to a solid for pelletizing.

CIL will be looking for a high level of skills among those who operate the plant which will be computerized to minimize human error.

A high electric load will be called for at the plant - for motors of 12,000 h.p. The cost of building the plant could be 20 times that of 1952 prices said Mr. Bowie and could use up to 100,000 tons a year of material.

There is a CNR rail spur handy at the site and 90 ton capacity hopper cars will serve the plant which will also include a number of 100 foot high storage silos. Company officials say that the plant will have a 120 foot profile above the surrounding area; that is why they want three abutting sections to remain under the plough acting as buffer zones.

In total 160 acres will be taken from agricultural use by the plant, there will be the visual intrusion on open space as well as more traffic and noise. Small amounts of gas and solids can be expected to filter outside the plant.

However CIL officials point out that while water for the plant will be taken for industrial use out of the North Saskatchewan River, that coolant will not be returned to the river. Water for domestic use will be taken from the northeast waterline.

Other conservation considerations which CIL are actively considering are land-capping, re-use of top soil, stabilization of the wild life

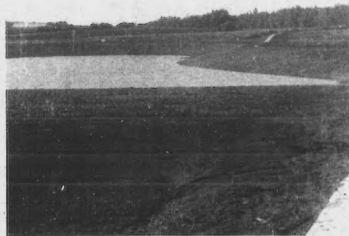

habitat, re-use of the cooling water and no contaminated water at all being returned to the river.

Total water consumption at the plant is expected to be 2000 gallons a minute.

Reeve Flynn said that if construction of the plant gets underway next spring, the MD will meet its responsibilities to construct the eight miles of road needed and alternative routes to serve over the construction period.

Mother is busy registering her child for the coming school year Tuesday morning at Sir Alexander Mackenzie Elementary School. All schools in St. Albert had their registration day Tuesday.

An imaginative plan for Lacombe Park makes use of a man-made lake. The Parks department in co-operation with B.A.C.M. have prepared the contoured basin, presently partly filled by recent rains. A walkway follows the east side of it leading to the Kinsmen Community Centre.

## RCMP appreciate help from public

Sgt. Al Dirk of the RCMP would like local residents to contact the police station if they see any person or persons lurking about construction sites. In the recent past materials, and even furniture from showrooms have been stolen.

Two people have called in recently to report suspicious

occurrences and Sgt. Dirk feels this is due to a story on the subject of such vandalism which ran in the Gazette a few weeks ago. He would like to encourage the continued co-operation of the public in alerting the force promptly to any cases of vandalism they may witness or have information on.

## Two Districts prepare for 6400 students - 300 over last year

Total school populations for both districts are projected to be about 6,400 this coming year. Last year there were about 6,100 students.

The protestant school district expects about 3,900 students and the catholic district is preparing for a five percent enrollment jump to about 2,500.

Registration was held yesterday.

The protestant district is opening one new elementary school this year, the Ronald Harvey School in Lacombe Park. However the opening date will have to be set back to October due to labour troubles.

One special feature of the school this year, the Ronald Harvey school, is that eight rooms can be moved from the site to another location. The catholic junior high has this feature too.

Ronald Harvey also has a kitchen, a lunch room and a gym that can be used by the general public.

The catholic district will be opening Vincent J. Maloney Junior High. Besides the removable classroom feature,

the school will offer increased instruction in home

economics and industrial education by hiring four

teachers in this field instead of two.

## R.C.M.P. Ball planned as gala appreciation night

The St. Albert Police Commission wish to initiate an annual RCMP Ball, traditionally formal, which would be a gala evening and a highlight of the fall season in St. Albert, but more than that would give residents an opportunity to show their appreciation of the work and services of the Force, which play such an important role in the community.

There is a strong undercurrent of support for the "Mounties" which emerges only rarely, such as the public reaction when the federal government attempted to remove the word Royal from their name and insignia, or the enthusiasm shown during the RCMP Centennial year.

But in their day by day, night after night performance of duties, members of the RCMP must often face abuse from those they deal with, and there are years not many opportunities for the public to show their appreciation for these men.

The intent of the Ball is to provide such an opportunity in St. Albert, combined with a happy and exciting evening which the residents and officers of their detachment can enjoy.

The Commission has asked a former member, Mr. Bob Hudson to take charge of the arrangements, and he hopes to enlist the support of local organizations and clubs. There is room in St. Albert

for one formal ball each year. Mr. Hudson believes, and over the years some frills can be added. He hopes that in future years the Ball could be an occasion to honour a 'costable of the year' with an award, but the timing this year did not permit this highlight.

The event will take place on September 27 in the St. Albert Inn and tickets will be available very soon at various outlets in town. So get those tuxedos and formal gowns ready and plan to attend with your friends. St. Albert residents will welcome this opportunity to make the members of their RCMP detachment aware of their solid support and appreciation.

## College offers new retailing programs

A new retailing program, Interior Decorating Sales Major, will commence in September at the Assumption campus of Grant MacEwan Community College.

The diploma program consists of 20 courses, including field placement, over four trimesters or 16 months. It will provide students with a basic selling background. Students will learn about design principles, textiles, home furnishings, and costs

and estimates. Courses will include marketing; salesmanship; history of furniture and architectural styles; retail advertising; and retail display. Graduates will have sufficient knowledge to engage in domestic or commercial decorating.

Lucille Rudiak, section head, merchandising, stresses students may enrol for their first trimester in either the retailing or design arts

program. Either route is acceptable for entering the second trimester level of the interior decorating sales major.

Ms. Rudiak says the program emphasizes design principles and techniques rather than drafting techniques.

She foresees graduates being employed in four major areas: interior decorating for major retail, furniture or

drapery stores; interior decorating for a building company; commercial selling of furniture, carpets, etc., and working with design firms.

The program will appeal to a variety of people for different reasons says Ms. Rudiak. Some students are interested in an interior decorating sales major as their first career choice. A housewife may enrol "for personal interest" - say she is

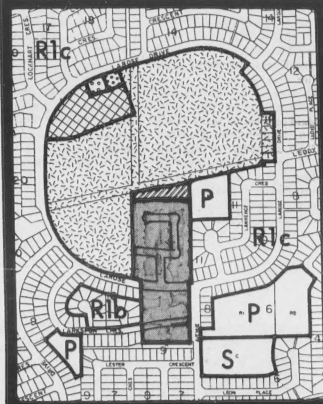

moving into a new house - or for a career." Or a student "may decide to go into architecture but wants to experiment."

Ms. Rudiak says the new program has the support of Tom Hazewinkel, president of the Alberta Association of Interior Design.

## Town of St. Albert

Please be advised that the Council of the Town of St. Albert proposes to pass Bylaw No. 27/75 being a bylaw to rezone that part of Block C, Plan 155 T.A., and Blocks 1, 2 and 3 including street and lane allowances in Plan 5428 A.W., and part of adjoining road allowances as shown on the attached map from Development Control to Multiple Family (R3), Neighbourhood Commercial (C2), Institutional (SP), Park (P) and Residential Single Family (R1c).

	FROM 'DC' TO 'R3'
	FROM 'DC' TO 'C2'
	FROM 'DC' TO 'SP'
	FROM 'DC' TO 'P'
	FROM 'DC' TO 'R1c'
	AREA AFFECTED BY PROPOSED REZONING BYLAW 24/75

The proposed Bylaw No. 27/75 may be examined between the hours of 9:00 a.m. to 4:30 p.m., weekdays at the Office of the Municipal Secretary in the Town Hall, St. Albert.

A public hearing on the proposed bylaw will be held in the Council Chambers, Town Hall Annex on Monday, September 15, 1975 at 7:45 p.m.

Written representations concerning the manner in which any provision of the proposed bylaw may affect him will be received by the Municipal Secretary until 12 noon on Friday, September 12, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

Robert L. Byron  
Municipal Secretary.

## Northern Alberta plumbers strike ends

An eleven-week strike by Edmonton and Northern Alberta plumbers ended August 20 with the ratification of a labour agreement by members of the union and the construction mechanical contractors.

At separate meetings, members of Local 488 of the United Association of Plumbers and Pipefitters and the Mechanical Contractors' Association both voted by a majority to approve a Memorandum of Agreement that was signed by the two parties on August 16. The contractors have lifted a lockout that was imposed in July and the union has instructed its more than 2,500 members to

return to work.

The new 25-month agreement provides for wage and benefit increases that will total \$3.43/hour gross by November 1, 1976, the last raise in a series of four. The contract expires on April 30, 1977. The net raise will reach \$2.80 per hour, plus 10 per cent holiday pay, 25 per cent pension benefit and 10 per cent Health and Welfare. Added to the previous rate of \$9.25, the final gross hourly wage will be \$12.68. The first net increase of \$1 per hour is effective as of May 1 of this year, with the second and third stages slated for November 1, 1975 and May 1,

1976.

No estimate of the cost of the walkout is available, but contractors for a large number of major construction projects state that completion dates have been set

back by as much as three months. Loss in wages by the plumbers and pipefitters could be as high as eight million dollars.

## Evening music courses lead to diploma

A complete slate of evening courses leading to a diploma in the Music Program will be offered at Grant MacEwan Community College's Jasper Place campus in September.

The first trimester of the program is being offered. It consists of six courses, totalling nine and a half hours of instruction a week, Monday through Thursday evenings. Courses include a private lesson; performance of ensemble; music theory; music ear training; piano class; and music literature and style. In addition, it is

recommended students practice at least one hour daily on their instruments.

The evening program enables a person with full-time day employment to also attend classes on a full time basis. However, warns Mr. Myers, such a schedule would be very demanding.

A music diploma may be obtained in four trimesters or 16 months of full-time study.

The evening diploma program is a pilot project, and its continuation and expansion will depend on the amount of student response in September.

## Pool second vice-president elected

G. W. Braithwaite has been elected Second Vice President of Alberta Wheat Pool and will serve in that capacity for the remainder of the term vacated through the death of O. K. Rosenberger recently.

Mr. Braithwaite, who is 53, has a long record of service with Alberta Wheat Pool. He was appointed as a field man in 1949 and resigned to go farming near Red Deer in 1955. He has since moved to the Lacombe district. In 1956 he was elected delegate for sub-district 408 and became director

for district 4 in 1960 - a position which he continues to hold.

Mr. Braithwaite, whose father was a founding member of Alberta Wheat Pool, grew up in Alberta and served with the RCAF during World War II.

## In lighter vein

Teacher: "I'm pleased to give you 88 per cent in geography."

Douglas: "Why don't you make it 100 per cent and really enjoy yourself."

Dude: "How come you only have one spur?"

Cowboy: "I figure that when one side of a horse starts running, the other side will, too!"

Sponger: "Can I have a dime? I want to call a friend."

Fed-up friend: "Here's twenty cents. Call them all."

Pat: "Say, where did you get that red lantern?"

Mike: "I just found it. Some careless jerk left it beside a hole in the road!"

Chester: "Where did you get that big diamond ring?"

Sam: "My mother, on her death bed, pressed \$5,000 into my hand and said, 'Son, when I die, buy a stone'... This is it."

Sign in the canteen of a dental college: "Try our Swiss cheese. It has 15 per cent fewer cavities."

Keith: "Flies are like absent minded professors."

Donna: "Why, because they always leave their specs behind?"

# St. Albert couple married in United Church

The Reverend Ien Musto conducted the solemn wedding service uniting Margaret Jeanne Byron and Donald (Duff) Wilson Jamison, with overtones of warmth and joy in St. Albert United Church on Friday, August 22. The bride is the daughter of Mr. and Mrs. Robert L. Byron and the groom is the son of Mr. and Mrs. Ernie Jamison, all of St. Albert. During the service Mr. Byron responded to the Minister's question Who gives this woman to be married, by placing his daughter's hand in that of the groom and saying We do, Jeanne's mother and I.

Organist Dianne Wright played the wedding music. Baskets of yellow glads with pale blue mums and white daisies adorned the church and pews were marked alternately with white and blue bows with streamers.

Escorted down the aisle by her father the bride was beautiful in a long gown of white acetate, with attached train, complimented by a floor length veil of nylon illusion which fell from her modified Juliette cap, leaf covered with pearl trim. Eyelet lace trimmed the bodice of her gown and the leg-of-mutton sleeves, with matching narrow lace accenting the tiny stand-up collar. She carried a bouquet of white carnations and daisies.

Attending the bride were Maid of Honour Mary Jamison, bridesmaids Darlene Clark and Phyllis Wigston and little Sarah Jamison as flower girl. They wore identical gowns of Quana jersey in cornflower blue, complimented with pale blue floppy hats banded with ribbons of cornflower blue. They carried

bouquets of yellow daisies with baby's breath and the flower girl carried a basket of white and yellow daisies with white ribbons.

The groom was attended by Mel Knutson, best man, Don Clark and Ken Browne. All were attired in midnight blue tuxedos with velvet collars and vests. The groom wore a white rose and white ruffled shirt, while his attendants chose blue ruffled shirts and white carnation boutonnieres.

Stephen Laird and Bob Carlson ushered the wedding guests.

Following the ceremony a reception and dinner was held for 175 guests at the Club Moco-mo. To receive her guests the bride's mother was charming in a long accoridian pleated gown of mint green chiffon, featuring bell sleeves. The mother of the groom chose a deep pink long gown trimmed with bands of white lace, with long organza sleeves. Fathers of the bride and groom were in tuxedos.

Mrs. Laura Savoie graciously looked after the Guest Book for the occasion.

A three tiered wedding cake, decorated in white and yellow trim and topped with white and yellow daisies centered the wedding table. White tapers flanked the cake and floral arrangements in white, yellow and blue. Bud vases with white and yellow daisies and blue ribbons graced the banquet tables.

Chris Brothen was master of ceremonies, enlivening the dinner with his own brand of humour. Following Grace by the Rev. Musto, and introduction of the head table, he called upon Mel

Knutson who toasted the bride and Duff Jamison for the reply. Toast to the bridesmaids was given by Ken Browne. Doug Caston, a long time friend of the Jamison family from Edson, Alberta, read a most appropriate poem for the bride and Chris also called upon "Big Ern" for a few remarks - "with no political overtones."

Chris also introduced a number of guests from out-of-town and a special guest of honour, Duff's grandmother, Mrs. Ivy Jamison of Edmonton.

Larry Mitchell volunteered to speak on behalf of the groom and informed Duff that he had finally made the selection list for the Namao hockey team, hoping that he could be on hand for the first practice later in the evening.

The opening waltz was led off by the bride and groom, followed by the wedding party and the guests and dancing continued for several hours to the music of the Jim Croft Trio. Before leaving Jeanne tossed flowers, caught by Colette Bourgeois and Duff tossed the garter which Keane Aldous of Calgary managed to procure, despite a valiant attempt by John Kambour-off. (Jeanne's bouquet was saved for her co-worker George Tasa of the Gazette, presently in hospital).

Out of town guests included Mrs. Mel MacLeod of Oshawa, Ontario, Liz Byron of Whitehorse, Peter and Merle Edmonds of Dawson Creek, B.C., Don and Marnie Wilson and sons Cole and David of Ladner, B.C., Mr. and Mrs. Allister McIntosh

of Calgary. Mr. and Mrs. Don McCrimmon of Ponoka and others from Edmonton, Legal, Picardville, Villeneuve, Riviere Qui Barre and Sturgeon district.

## AROUND TOWN

Officials at Canadian Forces Base Moose Jaw have announced the promotion to the rank of Sergeant (Sgt.) of Master Corporal J. D. (Don) Hodgson, of St. Albert. Sgt. Hodgson joined the Cana-

dian Armed Forces in March 1965 and was trained as an administration clerk. Prior to being transferred to Moose Jaw, Sgt. Hodgson was employed in Number One Aircraft Field Maintenance

Squadron, Edmonton from 1971 to 1974. Sgt. Hodgson arrived at CFB Moose Jaw in July 1974 where he took up duties as Non-Commissioned Officer in charge of the Base Hospital Orderly Room. Don,

his wife Marjorie, and their two children Shaun and Ross, reside in the City of Moose Jaw.

## OTTAWA and Small Business

### Our fat civil service

By KENNETH McDONALD

A senior civil servant was quoted recently as saying: "If you want results, you deal with us. To produce results you need to see the key planners and you have to see them early enough to push for changes in policy, before it is politically embarrassing to make them."

...

The federal civil service has jumped from 200,000 employees in 1964 to this year's 330,000. Those of us who remember 1946 didn't know how lucky we were then. Canada's population was 12.5 million (just over half today's numbers) but somehow we managed with 31,000 federal civil servants -- and that was at the end of a world war!

...

It's time to ask ourselves if all this government is necessary. We need a critical examination of all government programs to weed out duplication and waste. We need a performance analysis of bureaucrats on the job. We might find a third of them are necessary. Beeing up the Auditor General's powers and his staff would be a good way to start.

...

Now, Prime Minister Trudeau tells us, it wouldn't be fair for senior civil servants to be limited to the \$2,400 maximum pay raise proposed for other civil servants as a

way of containing inflation. So the senior ones will get up to \$6,000 added to salaries that range from \$25,000 to \$60,000, which puts them in the top two per cent of Canadian taxpayers.

...

The Canadian Federation of Independent Business gets repeated complaints from members about the quality of labour. "You have to hire 10 if you want to keep 5." One of the reasons is that years of permissiveness and the free lunch philosophy have misled younger Canadians into thinking there's no need for them to work. Over-generous unemployment insurance benefits and the widespread use of grants -- OFY, LIP, etc. -- have reinforced the delusion.

...

Everyone wants to earn more, but real increases in wages require increases in productivity. If an employer can't afford to pay the wages of a more efficient competitor and goes out of business, no one will mourn his passing. But when the pace for higher pay is being set by the less productive civil service, then the viability of all business is threatened.

...

While on the subject of productivity, it is interesting to note that there are about 400,000 more people drawing unemployment insurance payments than there are unemployed.

The Canadian Federation of Independent Business

## I. D. B. lending down in prairie provinces

The Industrial Development Bank authorized 417 loans totalling \$19,239,000 to businesses in the Prairie Provinces in the three months ended June 30 last, compared with 497 loans for \$22,544,000 in the same period in 1974, a decline of 16% in number and 15% in amount this year from a year ago.

In the nine months ended June 30, IDB approved 987 loans for a total amount of \$41,503,000 in the Prairie Provinces. This was a decrease of 19% in number and 27% in amount from the

same period a year ago when it authorized 1,225 loans for \$56,835,000. At June 30, the bank had \$159,373,000 outstanding in loans, investments, and guarantees to 4,294 customers in the Prairie Provinces.

A subsidiary of the Bank of Canada, IDB provides term financing to smaller businesses in Canada which are unable to obtain financial assistance from other sources on reasonable terms and conditions. IDB lends to almost any type of enterprise for a variety of business purposes.

## The Gazette REFLECTS

The claim of St. Albert's mayor that Edmonton is about to infringe on town boundaries or is trying to annex the town is unfounded. What Edmonton is settling out is a land use policy for the land that lies south of the proposed parkway ring road. This procedure was agreed upon last June when a meeting was held between Edmonton, St. Albert, MD of Sturgeon and Morinville. The meeting covered a number of subjects including the ring road, the radial road, restricted development area and land jurisdiction between the RDA and Edmonton. The MD would be losing a fair amount of assessment and it was agreed that the two municipal bodies [Sturgeon and Edmonton] would work out a satisfactory solution. The prime purpose of the meeting was to have the municipal bodies [including Parkland, not represented at that original meeting] prepare a joint submission indicating agreement on the alignment of the ring road and radial road to submit to the Provincial Government. It was felt that such a joint submission would gain top priority for an early start on the east bypass of St. Albert, to alleviate a very serious traffic problem.

The restricted development area, proclaimed in October 1974 is owned by the Provincial Government and the City of Edmonton is agreed that the province has jurisdiction over it.

It is understandable that St. Albert Town Council wishes to improve its tax base with an industrial park. It is not understandable why they hesitate to enter into a regional industrial agreement with the MD of Sturgeon for the sharing of industrial tax. As recent as a few months ago, the Reeve of the MD of Sturgeon made it well known to all the towns and villages within their boundaries that they were prepared to share industrial tax with the proviso that the tax money go towards sewer lines, water lines, roads and recreation. St. Albert Council, it seems, is thinking of going it alone.

But an industrial park as outlined by EPEC, industrial consultants to the town, would eat into the restricted development area, would use up space separating St. Albert from Edmonton, and that is a potentially dangerous land use that could eventually lead us to the point where there would be no physical separation between the two centres. For the people in the area, either Edmontonians or St. Albertans, the jurisdiction wouldn't matter much then.

In the meantime, no joint submission has been made to the Provincial Government on the ring road or the radial road.

As with labour disputes, the patience of people wears thin. It is time the five municipal bodies get their heads together and co-operate on a sensible decision on problems they have in common as part of the metropolitan region.

# Heritage centre offers chance to experience pioneer life

Have you ever tasted -- straight from the griddle -- old fashioned homebaked scones made with fresh homemade butter and home-made buttermilk? You will, if you visit the Multicultural Heritage Centre in Stony Plain.

The Centre has revived the era of the pioneer with demonstrations of cultural and ethnic arts such as cooking and crafts. Originally a red brick school house; the outer two storey brick structure is still the same, although renovations were made to the inside. The building is leased to the Stony Plain Heritage Agricultural Society by the Parkland School Committee.

Inside the building, the entrance hall, finished in rough cedar, is varnished and stained a pearl grey. Pioneer photographs on loan from the Provincial Government Museum grace the walls.

At the top of the stairs the guest book invites a signature. "Guests come from all over," Lene Holgersen, director of the Centre, said in an interview. "Since last June, over ten thousand people have visited here."

The doors open into an exact replica of a pioneer cabin complete with loft. Antiques, artifacts, and colourful quilts, donated by local residents, fill the scene.

## PROGRAM FOR YOUNGSTERS

Settler's Morning is 10 a.m. to 1 p.m. during the summer. Two volunteers from the community, dress in pioneer costume, and conduct a Heritage Program for boys and girls ranging in ages from six to 12.

Each morning the children are bused to the Centre from local or outlying areas. The day begins with stories designed to give the children a glimpse of pioneer days. They sit, eyes wide with expectation as squawky voiced puppets tell their experiences travelling to Edmonton in a horse drawn wagon.

"Yes we're on our way to Edmonton, dearie. It's a long way, so we don't travel there very often. Just for supplies."

Following the puppet show Grandmother Emma demonstrates how she helped wash clothes in the wooden wringer wash tub when she was a girl.

"Washing was an all day job for pioneers," she tells the children. "Early in the morning, several containers of water were heated on the wood stove, then pieces of homemade lye soap were shaved into the tub. Ironing was a chore too, because each iron had to be heated on the stove. And everything was ironed on those days. Even the sheets."

Following the introduction, the group is divided in three or four. While one group creates their own puppets from colourful rags or paper, the others learn to make such delicious delicacies as homemade butter, old fashioned strawberry lye cream, and ice cream cones.

Butter making is a chore that the children love. Quart sealers are filled with cream and passed around the circle of children. Each child takes a turn shaking the cream

until it separates. The buttermilk is put aside for baking scones.

The children gather around the table while Grandmother scoops the butter into a pan where it is rinsed several times with water; then worked with a spatula until it is smooth.

When the butter is made, a butter-coated spatula makes the rounds at the table. "Mmmmm ... delicious."

Meanwhile, over at the wood stove, Mother Penny has mixed up a type of sweet pancake batter for making ice cream cones. Boys and girls take turns scooping the batter onto small, circular cast-iron griddles heated on the stove. A similar griddle covers the pancake as it cooks. The cooked pancake is flipped onto a side table where the children take turns rolling it around a wooden cone.

## OLD FASHIONED ICE CREAM

A third group of children are outside cranking the handle of the old fashioned ice cream maker. As the handle goes round, the strawberries, cream and ice become a smooth, rich and

creamy strawberry flavoured treat.

Afternoons at the Centre are equally as busy. Adults and teens learn traditional handicrafts each day. Pioneer Crafts such as smoking, needlework, sketching, leatherwork and the art of making dolls, are taught.

"A Settler's Morning," also a summer program, and "Pioneer Washday" are offered to kindergarten and pre-school children during the fall and winter. There is also a special Christmas Program for the children.

Some of the pioneer craft programs for adults available this winter are winemaking, quilting, weaving, Ukrainian dancing, and German singing, and pre-registration for all programs is necessary. A unified Canadian heritage is the ultimate goal of the Centre, which is open to individuals as well as groups. Tours are also available by contacting Mrs. Holgersen.

## HANDICRAFT STORE

The Multicultural Centre would not be complete without its Handicraft Store, Exhibition Room, and Library. All areas are open to the public from 1 - 4 p.m.

each day including Saturdays and Sundays. All items sold in the store are made by residents of the Parkland region. Each artist sets his own price and the Centre adds 20% for the handling. The Exhibition Room, also on the main floor, is used for displaying cultural heritage crafts, such as spinning, weaving, pottery, etc. and exhibitions change each month. Demonstrations are given by the people who won the exhibits.

Requests for exhibitions are often received from individuals although exhibits are secured on loan from the Federal or Provincial Governments also.

## LIBRARY FEATURES LOCAL HISTORY

The Library houses a collection of historical material from the area such as photographs, phonograph records, books, and maps. It has been dedicated to Mrs. Cornelia Wood. One of the original pioneers of the town, Mrs. Wood was also the mayor of Stony Plain and member of the Alberta Legislative Assembly.

## SENIOR CITIZENS INVOLVED

The basement of the Centre is rented out for conferences and course instruction. It is also used as a drop-in centre by the Senior Citizens' Society.

Members of the society often help out in the Centre as volunteers, or join in some of the courses that are offered.

"The Centre has done a lot for the senior citizens," says Mrs. Berndt, acting-president of the society. "It has given us the opportunity to remain young at heart, be teaching children skills learned in our childhood."

A garden and picnic area for senior citizens is proposed for the Centre where games such as lawn bowling and shuffleboard will be played.

## VOLUNTEERS VITAL

Although the inside of the Centre is completed, there is still considerable work to be done on the grounds. Without the help of volunteers, it would be an extremely costly project. Volunteers have played a vital part in the remodelling of the Centre, and will continue to play a vital role in the future.

Weaving and wall hangings by Elizabeth Vander Helm and Dorothy Kempinsky have been on display at the Exhibition Room of the Centre for the last month.

Butter making is demonstrated by Grandma Emma in the Pioneer cabin. Children from Drayton Valley get a close look as Grandma washes the butter.

Drayton Valley children take part in puppet making which is taught each morning by Gertrude Davis at the Centre.

## New things to learn about

The Continuing Education Division of Grant MacEwan Community College is offering two courses this fall which are definitely not of

the 'run-of-the-mill' variety. Courses in massage will be taught at St. Anthony's Campus by Reg Farley and a resource team. Mr. Farley, a

registered nurse is an accredited masseur with the Northern Institute of Massage, England. "There is an apparent interest in massage," he said, but right now there's a lot of people body rubbing who don't know a toenail from a sella turcica. My idea in starting this

course was to raise standards."

Swedish Massage I teaches background knowledge of the body and runs for 13 weeks starting September 15, followed by Swedish Massage II for 12 weeks. Students completing both courses are eligible to write the accreditation exam from the Institute in England. Once accredited a masseur could go into private practice. People such as sports trainers would also find the course useful. Mr. Farley believes massage has an important role to play in relieving people's tensions, and he stresses that massage is an art.

### THE WIRED SOCIETY

That's the name of an evening credit course being offered at the Assumption Campus. Instructor Ted Kemp feels that people today can be envisioned as puppets with a multitude of wires controlling their movements, and the guide wires are manipulated by the master puppeteer, Society.

"The course is about the wires that at present hold society together and also take it apart," he said. It looks at the impact of science

in technology on the lives of individuals and groups, and in a society which is work-oriented, it also looks at the diminished need for human labour as machines take over. "The main thrust of the course," he said, "is to find out where the wired society

is at. The answer is different for each student, and it's different each time I teach the course."

"I'm sincerely hoping to get a lot of people from that vast public out there interested in this course," he added.

Zechariah: Chapter 4, Verse 6  
Not by might, nor by power but by my spirit saith the Lord of hosts.

## Plans in the making for area crisis center

The local social service board and the Gateway Association are continuing their efforts for a crisis or relief centre for people who have dependent handicapped adults aged 18 to 45 years.

The Gateway Association is a private action group who set up programs for the handicapped.

The centre would provide room and board, and 24 hour service to the mentally and physically handicapped, when the supporting individual had to be away or was unable temporarily to provide care. There are no such facilities in town. People who are supporting handicapped people are not able to get any relief

from their 24 hour a day job.

The main hang-up at the moment seems to be a lack of space in which to house the service. A few alternatives have been discussed and it seems that the only space suitable would be in Edmonton's Pineview Lodge. The Gateway Association hopes to get space in the lodge by the start of the new year when Pineview's activity centre is moved elsewhere. Also housed in the lodge is a residence for the handicapped and a rehabilitation day centre where individuals, who can look after themselves but who are in need of some sort of support, commute daily.

Such a facility would serve St. Albert, the MD of Sturgeon, and parts of

Edmonton. Only the moderately handicapped would be admitted. People with psychological problems (mental illness or psychosis) would not be admitted. Also the client should not need medical or physical supervision.

Social services director

Charles Gale said the reason for not admitting the above types of people is that the centre would not have a staff sufficiently qualified to handle these types of problems. As yet there is no relief for supporting individuals of these sorts of people.

Other criteria for admission would involve age, geographic area and functioning level. Maximum length of stay would be one month. The three priorities for admission would be 1) family crisis, 2) potential family breakdown, 3) parental relief.

The centre would be able to handle five or six clients at a time, with a staff of five. One person would handle the night shift and there would be two persons present during the morning, afternoon and evening. Staff members would be trained rehabilitation consultants.

The centre would also hire relief staff for vacations and sickness, and people to do the cleaning and cooking.

The department of social services is planning to survey the needs of the mentally and physically handicapped in St. Albert by circulating a questionnaire to residents. Right now they are in the process of gathering names and would appreciate hearing from families who have handicapped members. The questionnaire will be circulated within the next month, and the information should be in by the end of October or during November.

"The sun is the centre of lights, and the cause of the life of beings of the solar system. In like manner, the Holy manifestations of God are the centres of the light of Reality . . . and of the bounties of Love. They are resplendent in the world of the hearts and thoughts, and give spiritual life."

Baha'i Writings.

BOX 87, ST. ALBERT

### INFLATING RADIAL TIRES

The Alberta Motor Association reminds motorists whose cars are equipped with radial tires that such tires may appear underinflated at normal inflation pressures. This is due to their lower sidewall stiffness compared to other tires.

Don't add air just because the tire looks soft. This may cause overinflation, resulting in excessive wear or increased vulnerability to road damage, advises the AMA. To be sure, check air pressure with a gauge and follow the manufacturer's recommendations for air pressure.

A painter puts the finishing touches on the exterior of the Bruin Inn, a familiar St. Albert landmark. The interior of the hotel has also been redecorated during the summer, with new carpeting in the bar, painting and refinishing work in the upstairs rooms and in the coffee shop.

# New Shop offers unusual service in St. Albert

A small and unusual manufacturing shop has opened its doors in St. Albert this week, under the name Custom Gold Jewellery Manufacturing.

The goldsmith shop in the Hillside Dental Building on St. Michael Street will specialize in the manufacture of gold rings from old karat gold jewellery. "Due to the dramatic increase in the price of gold in recent years, there has been a great

demand for redesigning old gold jewellery," says Fred Szott, owner of the new shop, who has worked in a number of goldsmith shops, and is a resident of St. Albert.

Customers may bring in old gold jewellery such as heirloom pieces which may have been in the family for a long time, for redesigning. The old gold will be carefully weighed, inspected and tested for karat. It will then be melted down in the shop for

remanufacture into any style and setting of ring desired.

People may bring in their own stones to be fashioned into a personally-styled ring, which may be either genuine or synthetic stones, pearls, etcetera. Or they can select a style from the hundreds of wax models of rings available in the shop. The firm also carries their own stock of genuine and synthetic stones, including pearls and fine diamonds, and one of

these may be selected for setting in a ring fashioned either from their own old gold jewellery, or from 10, 14 and 18 karat gold available in the shop. For people who would like to match an existing ring, this service is also available for either his or hers.

Other services to be offered are hand engraving, cleaning and polishing, and repair, and all work done will be guaranteed, states Mr. Szott.

He feels that the beauty of gold in jewellery, combined with its investment value offers a challenging business

opportunity, with a potentially good market for quality handmade jewellery at a reasonable price.

Custom Gold Jewellery Manufacturing opened its doors Tuesday, with Mr. Szott and a staff of one ready to offer a new service in St. Albert.

## Care for elderly subject for nurses meeting

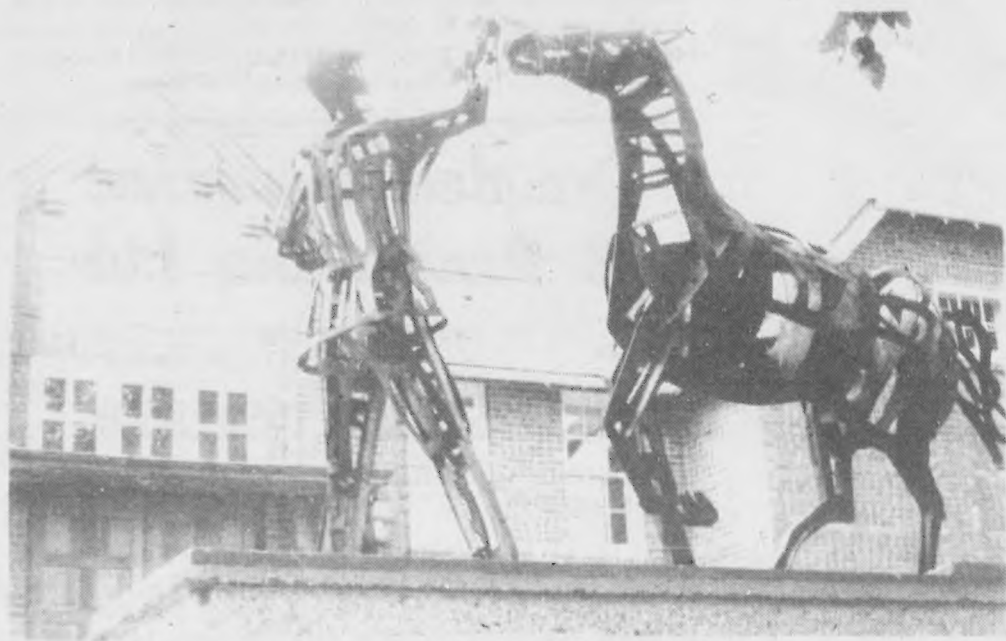

The St. Albert Nurses Interest Group will reconvene activities for the 1975-76 season with a dinner meeting to be held at 7 p.m. at the St. Albert Inn on September 16. At 8 p.m. the group will hear a discussion

of "Extended Care for the Elderly" given by Mrs. M. Brostrom.

All nurses, practising or non-practising, are invited to attend. Please contact A. M. Maruyama at 459-3484 or L. Williamson at 458-1034 if you

plan to attend the dinner.

Attempts will be made through the course of the year to keep members informed of changes taking place in nursing and the health field, as well as topics of interest to our group.

Sculptor of "Horse and Mountie" by Don Bedar is the highlight of the Centennial Gardens at the centre.

## PUBLIC UTILITIES BOARD FOR THE PROVINCE OF ALBERTA

IN THE MATTER OF "The Public Utilities Board Act," being Chapter 302 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF "The Gas Utilities Act," being Chapter 158 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF rates for gas supplied and service rendered to be charged by Northwestern Utilities Limited, the owner of a gas utility.

### NOTICE OF PUBLIC HEARING

APPLICATION having been filed with the Public Utilities Board by Northwestern Utilities Limited (hereinafter called "the Applicant") for an order or orders of the Board.

- (a) determining a rate base for the property of the Applicant that is used or required to be used in the Applicant's service to the public, and fixing a fair return thereon;
- (b) fixing and approving just and reasonable rates, charges or schedules thereof for natural gas to be supplied by the Applicant;
- (c) giving effect to such part of any losses incurred by the Applicant as may be due to any undue delay in the hearing and determining of the application;
- (d) fixing and approving such interim rates pending the fixing of final rates as the Board may determine;
- (e) approving a rate to provide that the rates of the Applicant shall be increased or decreased at fixed periods to reflect any increases or decreases in the costs of purchased gas.

TAKE NOTICE that the Board will hear the application for interim rate relief at the Court House in the City of Edmonton, in the Province of Alberta, on Thursday, the 25th day of September, 1975, commencing at 9:30 o'clock in the forenoon;

AND FURTHER TAKE NOTICE that the Board will hold a Pre-Hearing Conference as soon thereafter as the Applicant, the Interveners and Counsel therefore may be heard, to consider:

- (a) the simplification of the issues;
- (b) the necessity or desirability of filing further material;
- (c) the possibility of obtaining any agreement as to facts that will facilitate the hearing; and
- (d) any other matters that may aid in the disposition of the application;

AND FURTHER TAKE NOTICE that the Board will hear the application to fix rates at the Court House in the City of Edmonton, in the Province of Alberta, from Monday, the 29th day of December, 1975, to Wednesday, the 31st day of December, 1975, inclusive, commencing at 9:30 o'clock daily;

AND FURTHER, the Board advises that those parties who wish to take part in this hearing may obtain the material filed in support of the application by applying to the Applicant in care of its Solicitor:

B. V. Massie, Esq., Q.C.  
Milner and Steer,  
Barristers and Solicitors  
Ninth Floor, Milner Building,  
10040 - 104 Street,  
Edmonton, Alberta. T5J 0Z7

DATED at the City of Edmonton in the Province of Alberta, this 22nd day of August, 1975.

PUBLIC UTILITIES BOARD

C. R. LEISHMAN, Secretary.

## AGT GOOD NEWS PARTY LINE

The Welcome Wagon Newcomers Club begins the new season at their meeting September 8th. The door opens at the Community Hall at 6:30 p.m. and dinner will be served at 7. The meeting is open to all newcomers to St. Albert and those planning to attend are asked to telephone Joyce Bevan at 459-7394 for dinner reservations.

The regular meeting of the St. Albert Lady Lions will be held September 8th at the Club Mocombo from 6:45 p.m. and any interested guests are welcome

# Capital assistance program for urban transportation

The Federal Government will provide \$100 million for an urban transportation capital assistance program to help the provinces and municipalities manage urban growth and combat traffic and related problems.

Urban Affairs Minister Barney Danson and Transport Minister Jean Marchand announced that the funds will be available over five years beginning April 1, 1977 for the acquisition of commuter rail vehicles, stations and platforms, and required traffic control facilities. The program does not apply to vehicles currently on order or to facilities already in place.

Where rail is not the best mode for commuter services, alternatives including facilities such as express buses on reserved lanes, will be considered for funding assistance.

Because of the lead time required for planning, the five year payment period will begin April 1, 1977, and extend to March 31, 1982.

The capital assistance program reflects the importance the government attaches to solving urban problems. Many of these problems are related to automobile use — including urban sprawl, traffic congestion, automobile accidents, wasteful use of energy, and pollution.

The program which will be managed by the Ministry of Transport will give preference to Canadian manufactured vehicles provided they are available on a timely,

quality and competitive basis.

The program will also emphasize support for new or developmental commuter systems.

Studies have shown that energy consumption per capita for transportation stabilizes or declines as the use of public transportation increases. For every dollar Canadians spend in urban areas on private cars, they spend less than five cents on public transportation.

The measures now announced are intended to encourage planned management of urban growth and greater use of the alternative to the automobile, namely, public transportation services. Both these matters are key aspects of the government's urban priority.

To qualify for assistance, the province and the municipality concerned and the federal government must agree upon an overall strategy for metropolitan growth management within the urban region. Agreement must be reached on the role commuter services will play, the efficient utilization of their special characteristics and their integration with the surrounding transportation system. The province or municipality must also agree to cover any past or future operating deficits of the system.

The federal contribution will be up to 75 per cent as a grant and 25 per cent as a loan toward the capital cost

of systems at an early stage of development. For other systems, federal assistance will be between 25 per cent and 75 per cent on a grant basis, depending on the maturity of the system and up to 25 per cent on a loan basis.

Loans will be made to provincial governments or to the municipalities or transit authorities if guaranteed by the provincial governments concerned.

Federal grants will be available for up to half the cost of directly associated commuter rail platforms, stations and feeder systems, or traffic control facilities.

The assistance program is expected to have the greatest impact on major metropolitan areas where the degree of urgency about urban problems is highest.

The Ministers also noted that capital assistance for municipal urban transit ser-

vices, as distinct from commuter services, remains under consideration and will be

the subject of further examination by the federal ministries of Urban Affairs,

Transport, Finance and Industry, Trade and Commerce.

The happy smiles of Mr. and Mrs. Ron Parsons are entirely understandable. The Edmonton couple were the fortunate winners of the Vega GT seen in the background, which was the St. Albert Kinsmen Rodeo 114 car raffle choice. Rodeo Chairman Gerry Rayburn presents the keys to Mrs. Parsons while fellow Kinsmen Jim Waldron looks on.

## Hospital briefs

The Hospital Board appealed to the provincial hospital services commission for more funds, and has received an additional \$80,000.

Two new doctors have been appointed. Dr. K. E. Goh is a general surgeon from Edmonton, who served his residency here. Dr. T. A. Fan is a general practitioner,

who just opened an office in town.

At the board meeting, there was a discussion of building repairs on the east and west sides of the hospital. When there are driving rains, there is a problem of keeping the water out of the building.

# Churches reach out on social problems through Institute

The Pastoral Institute of Edmonton announces the appointment of the Rev. John C. Carr, Ph.D. (Cand.) as executive director, effective September 1, 1975.

Pastor Carr is a minister of the Presbyterian Church in Canada who, after eight years as a Parish Pastor in the Toronto area, has spent the last five years receiving specialized clinical training in New Jersey and Illinois. He has the B.A. of the University of Toronto, the Bachelor of Divinity degree of Knox College, Toronto, and the Master of Theology

degree in Pastoral Theology of Princeton Theological Seminary in New Jersey. He has completed all requirements, except the dissertation for the Ph.D. in Pastoral Psychology and Counselling from Northwestern University, Evanston, Illinois, in a joint program with Garrett-Evangelical Theological Seminary.

Pastor Carr is a Clinical Member of the American Association of Pastoral Counsellors and of the Canadian Association for Clinical Pastoral Education. While at Garrett-Evangelical and

Northwestern, he was teaching assistant in pastoral psychology and counselling for two years. He received training in individual, marital, and group counselling and in supervision of counselling at Garrett-Evangelical, and at the Community Pastoral Counselling and Consultation Centre of Lutheran General Hospital, Park Ridge, Illinois.

The Edmonton Pastoral Institute is linked with the Calgary Pastoral Institute in attempting to address the fundamental problems of individuals and families of

their respective communities, as an expression of the Pastoral concern of the churches. Pastor Carr will work with the Institute's Staff Counsellors, the Rev. Roy Chubb, and the Rev. Milton Chubb, to provide counselling for people with personal, vocational, marital and family problems and to provide educational programs for the clergy and lay people of the Edmonton area, which will enhance human potential for effective parenting, effective individual living and vocational

satisfaction, and effective interpersonal relationships. The Institute's fees are on an "ability-to-pay" basis, which is made possible by gifts and memberships from those individuals and organizations wishing to become associated with its work.

To contact the Institute, which is located in Central United Church (112 Street and 109 Avenue), call 426-1861. No conditions of race, religion or creed are laid upon those who seek the services of the Institute.

## New AMA service will check vehicle prior to purchase

When the Alberta Motor Association was formed, back in 1923 and 1924, the motorist joined to see what he could do for the Association. Today, most members join for what the Association can do for them. Such services as driver training, road reports, free legal advice, court service, domestic and foreign travel, trip planning, reservation services, school patrols, insurance and our very important Legislative activities provide the necessary incentive for over a quarter of a million members who seem to agree that it really does pay to belong.

Today I am pleased to introduce to you yet another customer service for members of the Edmonton branch of the Alberta Motor Association - AMA Motor Vehicle Inspection Service - a unique new program that is the result of numerous requests by members for advice in the purchase of used vehicles.

Beginning at 9 a.m. on Wednesday, September 10, Edmonton members considering the purchase of a used car or light truck can arrange to have the vehicle checked on location by a qualified inspector for a nominal fee of \$25.00.

Working from a mobile unit, the inspector will pro-

vide the member with an unbiased report on the overall condition of the vehicle by means of a visual inspection aided by instruments and a brief road test. It is important to note that we do not intend to become involved in pricing the vehicle or recommending it as a "good buy."

The AMA Vehicle Inspection Program is based on a similar service which we have examined in Australia and in British Columbia, where the BCAA now operates four mobile units in Vancouver and Victoria.

Many Edmonton auto dealers have already expressed a desire to cooperate with us in

providing this service, just as they have cooperated with us in our driver education courses over the years.

We are convinced that our Vehicle Inspection Service will support all reputable dealers by building buyer confidence thus benefiting both consumer and the industry as a whole.

## St. Albert peewees win soccer tournament

The Grandin Bakery peewee team romped to three easy wins and the championship in their division of the Hercules Soccer Association tournament held here last week.

Scores were 7 to 1 over Steele Heights, 5 to 1 over Glengary and 8 - 2 over Winnipeg. Martin Stannard, newly arrived from England, scored three goals in the victory over Glengary.

Winnipeg lost all three games.

The St. Albert mite division representatives did not fare as well as the peewees. They lost their final game to Glengary 3 to 2.

Thanks to help from the parents, the boys were treated to a wiener roast and a trip to the Provincial Museum. Coach Herman Kochan would like to thank parents for help rendered throughout the tournament.

Mr. Kochan also advises that the Mini Mite Local League will start playing Wednesday night. The league is short two coaches (which means two teams may not be able to play soccer).

Mr. Kochan asks all boys to please contact their coaches about games.

Anyone who is desirous of getting further information should contact Herman Kochan at 459-8233.

Mr. Tony Holden, president of the Hercules Soccer Association, presents trophy to team captain Norman Odings of the Grandin Bakery Peewees. Players from both the Winnipeg team and the St. Albert team are pictured here.

## Peewee football starts Saturday

The St. Albert Minor Football Association is pleased to announce the start of their new four-team Peewee league on Saturday, September 6.

The first game will be between Willowbrook Homes and Carma Crusaders and will be played at 2 p.m. at Langley Field - behind Ronald Harvey School in

Lacombe Park. The second game starts at 3:30 p.m. with Standard General playing Lacombe Park Red Rooster.

The new league is allowing boys between the ages of 10 and 13 years to become involved in the football program. Excitement and fun are guaranteed and fans are encouraged to come out and support their teams.

Peter Tworek led the bantams to a convincing 43-0 win over the tough L.Q.B.'s in a game played on Monday, September 1.

Tworek, playing his first game as quarterback, scored 17 points including two touchdowns, four converts, and a single. Other scoring was provided by Dave Catling with two touchdowns, Dave Fraser and Guy DeRieu with one touchdown each, and Francis Tworek who scored a two-point convert on a pass from his brother, Peter.

The Bantams, sponsored by the St. Albert Minor Football Association, had quarter leads of 14-0, 27-0 and 35-0, and were never in fear of being scored upon. Peter Tworek displayed a

strong kicking game, keeping the L.Q.B.'s deep in their own and throughout the game. Strong defensive performances were put in by Sean Sullivan, Guy DeRieu and Rod Kane. Guy DeRieu's touchdown came about as a result of a fumble recovery in the L.Q.B.'s end zone. Marty Scheibelhofer set up both of Tworek's touchdowns with long runs of 25 and 40 yards. Scheibelhofer was also the leading ground gainer picking up 106 yards rushing.

Coaches Barry, Rick and Bill Suggitt, although very happy with the win, feel that their club lacked sharpness in their attack. On Sunday, September 7th, the bantams will be playing the powerful Fort Saskatchewan team in Kinsmen Park at 10 a.m.

## NCA baseball finals go to Westlock

The North Central Alberta Baseball League championship series will be held next Sunday, September 7 at Westlock in conjunction with the harness racing program.

The games are scheduled as follows:

11:30 a.m. Westlock vs Linaria (A).

2:30 p.m. Morinville vs Bon Accord (B).

5:30 p.m. Winner of Event A vs winner of Event B.

## ST. ALBERT RECREATION REPORT

### ST. ALBERT COMETS (intermediate "A") HOCKEY CLUB

The St. Albert Comets Hockey Club invites the public to attend their home games and practices at the St. Albert and District Arena. The season extends from October 20 (approx-

mately) to mid-February. Home games are played on Sunday or Friday from 7:30-10 p.m. Practices are held every Tuesday from 10:30-12 midnight.

### ALPHA THETA CHAPTER OF BETA SIGMA PHI SORORITY

Open to women between

the ages of 20 and 40. The Sorority is basically a social club which offers services to the community. Meetings are held every 1st and 3rd Monday of every month at members homes. Meetings start at 8 p.m. To join, contact Mrs. Marge Borten by phone at 459-7195 or Mrs. Jan Aikens at 459-8689.

### ST. ALBERT WOMEN'S INSTITUTE

Open to adult females. Club activities: handicrafts including quilting; Social Services (service to the community such as helping Senior Citizens; Programs dealing with agriculture, health and home economics. United Nations and citizenship. Yearly social functions for members. Meetings are held in the homes of members on the last Tuesday

of each month at 8 p.m. Membership fee is \$3.00. First meeting will be held September 30 at 18 Sturgeon Road, St. Albert.

### ST. ALBERT SAFETY COUNCIL

**SEPTEMBER PROGRAMS:**  
**Block Parents Meeting:** Information giving session. This is your opportunity to become involved. Date of meeting to be announced in St. Albert Gazette.

**Defensive Driving:** Commencing in September and to be held monthly thereafter. Dates to be announced in St. Albert Gazette.

**OCTOBER PROGRAMS:**  
**First Aid Course:** Dates to be announced in Gazette.

**Social Services Show:** Watch the Gazette for further information.

### WELCOME WAGON NEWCOMERS CLUB

Sponsored by Local Business Community. Open to female adults. Are you a new resident in the community? The Welcome Wagon/Newcomers Club offers new residents an opportunity to meet other people. A subgroup also goes bowling in the Grandin Shopping Centre. Meetings are held at the Community Hall on the 1st Monday of every month at 6:30 p.m. Meetings are preceded by a dinner. Membership fee is \$4.00. The Club asks that interested persons attend one meeting before they join to see if they would like to belong to the club. Commences on Monday, September 8, 1975.

### TOASTMISTRESS CLUB

Sponsored by Toastmasters International. Open to

adults. Program includes information and practice of protocol, public speaking, self-improvement and provides an opportunity for social gathering. Offered Fall and Winter Semester. Every 2nd and 4th Wednesday of the month at 8 p.m. An adult can enter the program at any time during the two semesters. Membership is \$17 per year. The Club requests that interested persons attend one meeting before taking membership. Maximum registration is 30. Location - Paul Kane High School. Commences September 9th.

### PARKS & RECREATION (AQUATICS DIVISION)

There will be a team back-to-school swim this Friday night from 11:30 to 12:30 at Grosvenor Park Pool.

## New ice show will tour small arenas

"The New Ice Generation," Canada's first professional ice show, beginning its inaugural season national tour with a September 5 opening night performance at Kerrisdale Arena in Vancouver, is specifically designed to perform in the smaller and moderate size arenas of the nation.

Realizing that Canada is a wealth of skating enthusiasts, the Canadian Ice Show was formed to bring this entertainment form to the communities that are all too often ignored by professional touring companies. To bring an ice show to the people in such a way, it was necessary to eliminate certain elements of size but absolutely essen-

tial not to sacrifice quality. Indicative of the diligent effort and planning that has gone into this type of production are facts such as the hiring of the very finest skaters available and making them the highest paid production skaters in the industry and to direct them. "Generation" hired world renowned, five time world champion, Bernard Ford M.B.E.

The result means that many moderate size Canadian communities will now, for the first time, annually have the opportunity to participate in the excitement of an outstanding professional ice show.

## Comets to organize

St. Albert Comets Hockey Club President Claude Contant advised the Gazette Monday that the team will hold their first meeting of the year Thursday, September 4th at Sir George Simpson School starting at 8 p.m. The purpose of the meeting will

be to discuss the operation of this season's team in the highly regarded Edmonton Central Hockey League. Anyone interested in helping out in any way is asked to attend to help make the season an enjoyable and profitable one.

# An opportunity for Albertans

## CALGARY POWER LTD. COMMON SHARES

Calgary Power Ltd. proposes to sell additional Common Shares early in September through a group of investment dealers.

The rapid growth and development in the province has necessitated major expansion of Calgary Power's electric power facilities. The financing of this expansion program, in part, will be provided by the sale of additional Common Shares. The offering of these shares will be made through a group of investment dealers who will be available to answer questions and distribute regular information materials.

For information, Albertans with the investment interests of Calgary Power Common Shares, should contact the investment dealers listed below. These representatives will be at these locations at the following times:

DATE	DEALER	LOCATION	TIME
SEPTEMBER 8	REHWATER	Calgary Power District Office	9:00 a.m. - 11:00 a.m.
	FT. SANKATCHEWAN	Calgary Power District Office	1:30 p.m. - 3:00 p.m.
SEPTEMBER 9	MAYERTHORPE	Calgary Power District Office	9:00 a.m. - 11:00 a.m.
	WHITECOURT	Calgary Power District Office	1:30 p.m. - 3:00 p.m.
SEPTEMBER 10	HINTON	Calgary Power District Office	9:00 a.m. - 11:00 a.m.
	EDSON	Calgary Power District Office	1:30 p.m. - 3:00 p.m.
SEPTEMBER 11	STONY PLAIN	Calgary Power District Office	9:00 a.m. - 11:00 a.m.
	SHERWOOD PARK	Calgary Power District Office	1:30 p.m. - 3:00 p.m.
SEPTEMBER 12	ST. ALBERT	Calgary Power District Office	9:00 a.m. - 11:00 a.m.
	NOXVILLE	Calgary Power District Office	1:30 p.m. - 3:00 p.m.

If you are unable to attend, a free copy of the preliminary prospectus may be obtained by use of the attached coupon. The coupon may be returned to any office of your investment dealer or to the Manager of the offering at the address indicated below.

Merrill Lynch, Royce Securities Limited, Box 2477, Calgary, Alberta T2P 2M7

**Lamb**

Fresh lamb is now in season! Lamb is an excellent source of protein, one of the important B vitamins. An excellent source of high-quality protein. Like other red meats, lamb also has other advantages. It is one of the most easily digested meats, which is important in the diets of the very young and the very old, and also for invalids.

Secondly, in diets where low fat is required, lamb is important. The fat is not interspersed with the lean as in some cuts, particularly leg and loin, the fat can be completely separated from the lean meat.

Most important for the busy cook is the fact that lamb is a young meat. It is essentially tender and most cuts may be easily and quickly prepared using the dry heat method of roasting, broiling or pan-broiling.

When buying lamb, look for meat that is firm, fragrant, smooth and velvety. The color of the meat varies from light to dark pink. The fat of the lamb is smooth and the color varies from a creamy white to a dark pink.

The 'fat' is a thin, paper-like covering on lamb. A leg of lamb will roast more quickly if the fat is not removed. It should be removed from chops, however. Lamb may be seasoned before cooking with flavors that differ somewhat from other kinds of meat. Thyme, mint, marjoram, rosemary, ginger, or dry mustard may be sprinkled on or rubbed into the surface of the roast.

Prices effective in Edmonton, St. Albert, Ft. Saskatchewan and Sherwood Park until closing Saturday, September 6, 1975. Sales in Retail Quantities Only.

on simple looms. Articles such as wall hanging, mandalas, cushion covers, necklaces, etc. will be made. Salish looms, rigid heddles, hoops, soap boxes etc. will be used. October 25 and 26 from 9:30 - 12 noon and 1 - 3:30 both days. List of supplies will be sent to applicants. Maximum applicants accepted is 15. Workshop Fee \$10.00. Located at Mission Clubhouse.

**FENCING WORKSHOP** - Open to Teens (13 and up) and Adults. Offered by the St. Albert Parks and Recreation Department in co-operation with the Alberta Fencing Association. Workshop will provide participants with an overview of fencing techniques and an opportunity for practice. To be located at Paul Kane High School, September 22, 1975 from 7:30 p.m. - 9:30 p.m. All equipment will be supplied. Registration at the Town Hall Parks and Recreation Office, September 4 - 12, 8:30 - 5 p.m. Deadline for registration is September 12. If enough interest is expressed by participants, a 10 week course for juniors and adults will be offered. Maximum applicants accepted is 40. Workshop Fee \$2.00.

**IMPROVING COMMUNITY GROUP EFFECTIVENESS** - Open to Adults. Offered by the St. Albert Parks and Recreation Department in co-operation with the St. Albert and District Further Education Council. The workshop provides an excellent opportunity for leaders of organizations and agencies to upgrade or learn new skills in group dynamics, communication and problem solving. To be located at Grandin Clubhouse on October 3 (7 p.m. - 10 p.m.), October 4 (9 a.m. - 4 p.m.) and October 5 (9 a.m. - 12 p.m.). Registration will be taken at the Town Hall Parks and Recreation Office from 8:30 a.m. - 5 p.m. up to September 26. Maximum of 25 applicants accepted. Workshop Fee \$10.00.

**ADVANCED SECRETARIAL TRAINING WORKSHOP** - Open to adults. Offered by the St. Albert Parks and Recreation Department in co-operation with the St. Albert and District Further Education Council. The workshop is tentatively set for October 17, 18 and 19. Program includes the following - (1) Office Practices - Those extra touches; (2) Handling Meetings and taking Minutes; (3) Correspondence - Writing letters and formal notes for types of letters; (4) Setting up a filing system, petty cash, mailing, postal codes and time management; (5) Typing - This will be notified as to exact dates and times of sessions. Registration through the Town Hall Parks and Recreation Office. Deadline for registration September 26. Workshop Fee \$15.00.

## MOMS 'N TOTS

## ARTS AND CRAFTS

Sponsored by Arts & Crafts Guild & St. Albert Parks & Recreation Department

In order that parents with pre-school children can also participate in arts and crafts classes, the Guild will be offering four adult courses in conjunction with a pre-school crafts program.

**PAINTING** - For Teens and Adults. Participants will receive help in developing their own technique in acrylics, water colours, or oils. Colour, drawing, and compositions will be stressed. Supplies not provided. Program held in conjunction with pre-school arts and crafts class. Offered Fall Semester. (10 weeks). Tuesdays 1:00 - 3:00 p.m. Semester Fee \$9.00. Supplies not included in fee - will cost about \$20.00. List will be given out by instructor. Maximum per class 15. Commences Tuesday, September 16. Located at Lacombe Clubhouse.

**ADULT MULTICRAFT** - For Adults. Class will choose from such crafts as: Macrame, primitive weaving, stitchery, mobiles, toys, jewelry and home accessories. Program held in conjunction with Pre-school arts and crafts. Offered Fall Semester. (10 weeks). Tuesdays 1:00 - 3:00 p.m. Registration \$9.00. Supplies not included in fee - will cost about \$5.00 extra. Maximum per class 15. Commences Tuesday, September 16. Located at Lacombe Clubhouse.

**INTRODUCTORY CANVASWORK:** For Teens and Adults. Participants will learn basic

siliches used in needle work on canvas. Projects may be ornamental or useful e.g. fabric, upholstery, bags, small accessories etc. Offered Fall Semester (10 weeks). Semester Fee \$9.00. Supplies not included in fee - may be purchased from instructor. Commences Tuesday, September 16, 1:00 - 3:00 p.m. Located at Library.

**KNITTING & CROCHET** - For Teens and Adults. Participants will learn different techniques, e.g. lace & rya, and how to "knit to fit," how to follow a pattern, using various materials e.g. raw wool. Hairpin lace, rya, and other techniques will be covered in crocheting. Offered Fall Semester, (12 weeks). Tuesdays 1:00 - 3:30 p.m. Semester Fee \$10.00. Maximum per class 15. Supplies not included in fees. A "practice kit" will be available at first lesson from instructor for \$2.00. Commences Tuesday, September 16. Located at Mission Clubhouse.

**PRE-SCHOOL ARTS & CRAFTS** - 2 - 5 years of age. Pre-schoolers will be introduced to activities such as tempera painting, finger painting, scrap crafts, games and stories, while mothers attend other craft classes. Offered Fall Semester. (10 weeks). Tuesdays 1:00 - 3:00 p.m. Semester Fee \$14.00. All supplies provided. Commences Tuesday, September 16.

## SKATING

Open to parents and pre-schoolers. Located at the St. Albert and District Arena every Wednesday morning from 10:30 - 11:30 a.m. No registration required. Entrance Fee is 25¢ per person. No instruction is provided.

### ADULT MIXED VOLLEYBALL ST. ALBERT SPORTS CLUB [MIXED]

Open to Adults 18 and up. Program of recreational volleyball. Possible Challenge Tournaments with other recreational Volleyball teams. Offered Fall Semester. Located at Father Jan School on Wednesdays from 8 p.m. - 10 p.m. Registration will take place at Father Jan School on September 17 at 8 p.m. There is no cost for registration. Commences September 17, 1975.

### ADULT MEN'S VOLLEYBALL AND BASKETBALL Sponsored by St. Albert Men's Sports Club

Open to men 18 and over. Program consists of unstructured volleyball and basketball and competitive games with other Men's Sports clubs around Edmonton and St. Albert. Registration fee is \$7.00 per person or \$15.00 per couple for both semesters. Commencement date and registration procedures to be announced in the Gazette at a later date.

# Love - Durocher Wedding

On July 19th, Valerie Durocher and Brian Love were united in marriage at the St. Albert Roman Catholic Church. Valerie is the oldest daughter of Mr. and Mrs. Aurele Durocher of St. Albert and Brian is the youngest son of Mr. and Mrs. Davis Love of Slocan, B.C. The bride and groom were escorted to the altar by their parents.

The double ring ceremony was performed by Father Jacques Joly. Altar boys were Richard, Claude and Marc Durocher, nephews of the bride. Scripture readings were done by Real, the bride's oldest brother. Well chosen words were expressed at the homily by Clark Rehn of Calgary, friend

of the groom. Clark also assisted Father Joly throughout the mass.

Organist for the ceremony was Remi Soetaert. Vocalists Dianne MacGregor and June Borle, who were accompanied on the guitar by Blaine Beisiegel, sang three beautiful songs.

Valerie was radiant in her floor length gown of crystal sheer with a lace covered bodice and full length lace sleeves. A short train completed her dress. Her fingertip veil and headpiece were edged in lace. The entire ensemble was made by the bride's aunt, Mrs. Claire Hebert. Val carried a bouquet of yellow roses and white daisies.

Val was attended by her

sister Jocelyne Durocher and Patricia Lema, friend of the bride. They were lovely in floor length gowns of mint green polyester knit and carried baskets of yellow and white daisies.

Brian was attended by two of his friends, Brian Jones and Rick Scruggs. Guests were ushered by Tony Durocher and Lance Love.

Guests were greeted at the Morinville Recreation Centre by the parents of the newlyweds. Mrs. Durocher chose a gown of lavender sheer accentuated by an elbow length cape. Mrs. Love wore a floor length gown of coral polyester with a white lace jacket.

Both wore white roses en corsage.

Valerie's brother, Herve, was a very capable master of ceremonies. William Soetaert, uncle and godfather of the bride, proposed the toast to the bride. Mr. Love welcomed Val to the Love family with a few heartfelt words. A good time was had by all at the dance which followed with music by the Satellites.

Special guests were Mrs. Vera Higgs from Hanna, and Mr. and Mrs. Paul Straub of Pine Point, N.W.T.

Mr. and Mrs. Brian Love are making their home in Edmonton.

MR. & MRS. BRIAN LOVE

A Prince Albert man, James V. Scarrow, was elected president of the Association of Kinsmen Clubs at an organizational mammoth convention held in St. John's, Nfld. the last week of August. Mr. Scarrow, a broadcaster, is program and production manager of CKBI radio in Prince Albert. Representing St. Albert at the convention were Dave and Linda Stewart and Terry and Sue Moore. Mr. Stewart is vice-governor of District 4 Alberta. Mr. Moore is past president of St. Albert Kinsmen Club.

## AROUND TOWN

The Imperial Lumber building on Perron Street and the fencing is looking bright and fresh with a new coat of

white paint, accented by orange trim - a nice improvement to the corner.

# Intensification of gravel industry not expected yet

No intensive developments can be expected in the gravel industry near Villeneuve till the signing of a special development agreement between two gravel firms, the provincial government and the MD of Sturgeon.

When the agreement is finally thrashed out it is expected that the gravel haul road to the present workings will be maintained by Alberta Concrete Limited. A spokesman for the firm said that Alberta Concrete would be willing to kick in \$40,000 for the improvement of the road and the MD are also expected to ask the provincial department of Highways for help in this matter.

Details of the agreement were discussed at the development meeting of the MD of Sturgeon August 28 and a representative of another gravel firm TBC was at the meeting. It is known that the company wishes to begin gravel workings "across the fence" from the Alberta Concrete operation.

Gravel workings in the Villeneuve district have been causing concern to local residents fearing - in one case - that the Sturgeon River might back up because of environmental disturbance. But the main bone of contention has been the state of the road after continuous pounding by heavy gravel

haul trucks.

The MD has extended a 90 day temporary permit to Alberta Concrete for the use of the gravel haul road; improvements to the road may cost up to \$200,000 a mile for 12 inches of full depth asphalt with the top foot to be compacted below that.

One way of improving the situation would be to make better use of existing rail facilities at the site.

Councillor Walter Van de Walle felt that the provincial government had already created a precedent by building a road for "one of your competitors," referring to the gravel operators.

While the MD had said that it would cover maintenance of the gravel haul road as part of an initial agreement, Alberta Concrete want to see the specifications of the road improvements from the MD and wish to be in on the negotiations on the terminology of the development agreement.

Reeve of the MD Bill Flynn pointed out that the MD could maintain the gravel

Alberta Concrete Products [OK Construction] gravel pile. Millions of tons of high grade concrete gravel are mined each year from this site and others in the area. Residents in the district recently won court approval to have Municipal Government upgrade development permits to gravel operators.

## Spotlight on Sturgeon

### Persistent citizens win a round

Concerned citizens of the Villeneuve district are to be commended for the determined stand they have pursued over the past year and one half to force gravel mining operators and the MD Sturgeon Council to come up with a development agreement which recognizes their concerns.

The people of the area were not out to stop gravel operations in the Villeneuve district, recognizing the value of the excellent gravel to be found there, but they were insistent that the developers should be made to accept responsibility for improved environmental and reclamation standards, and for road maintenance.

They were concerned with the environmental damage to the Sturgeon River. They were concerned with effect of the mining operations on people in the subdivisions, and the MD General Plan of 1972, showing the subdivision zoning was being violated. They were concerned with the affect of gravel trucks on the safety of Villeneuve road, and with the battering of 10 miles of the road. [Little if any compensation was paid to the MD for road maintenance by the gravel operators]. And they were not satisfied that proper public notice was given to residents of the area as development permits were applied for by the companies involved.

The residents also feel that the municipal district is not getting a fair assessment for a very valuable resource, situated in a very convenient location for the gravel mining companies. Land for gravel mining is assessed as farm land. They believe also that the 20 feet of overburden, of which six to eight inches is black loam, is not being properly preserved for reclamation purposes.

The crux of the 18-month battle by the citizens, which went to the Supreme Court of Alberta, is the guarantee that a special development agreement will be drawn up in the near future between gravel firms and the MD Council. It is to be hoped that all concerns expressed by the citizens will be encompassed in the new agreement, and that the terms will be widely publicized.

## to the Editor

### Sturgeon Squadron welcomes new Cadets

On September 9 the 524 Sturgeon Air Cadet Squadron will be starting its 26th year of operation at Bon Accord. The squadron has been in this general area, including Redwater, for some years previous and has a long history of service to the boys in the surrounding communities. Girls have been attending weekly parades for the past two years and were finally recognized as official cadets as of May 1, 1975.

We invite your sons and/or daughters to join the Squadron when it resumes operations in September 1975. Any child between the ages of 13 as of December 31, 1975, and their 19th birthday is eligible to participate. Activities have included instruction in meteorology, motors, first aid, outdoor survival training at Camp Wright and many more, tours of the ground and air control section of the airports, gliding and helicopter familiarization rides, and exposure to varied and interesting aspects of air

force operations.

The larger the group, the more varied are the courses that can be offered. Courses offered at summer camps are of such a nature as to be of value to the cadet in whatever facet of life they choose to pursue. We feel sure that any child will benefit from association with the air cadet squadron. We look forward to having your child visit our squadron this September with a view to becoming a member of the group. Weekly parades are held every Tuesday evening at 7:30 p.m. in the Bon Accord Community Hall.

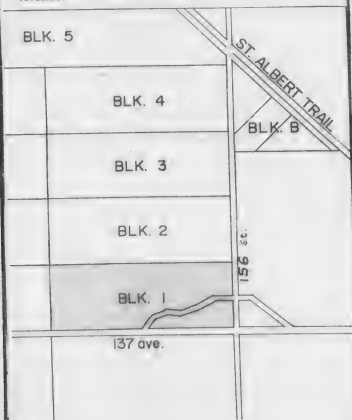

William G. Carleton,  
Chairman,  
Civilian Committee,  
524 Air Cadet Squadron.

## NOTICE

### PROPOSED RECLASSIFICATION MUNICIPAL DISTRICT OF STURGEON NO. 90 GENERAL PLAN

It is the Councils intention to reclassify the following lands from "Special Control" to "Light Industrial" for the purpose of developing a warehousing complex.

"Block 1, Plan 179 H.W. [part of Section 27, Township 53, Range 25, West of the 4th Meridian] and that portion bounded by the said Block 1, 156 Street and 137 Avenue."

Should objections be received to the above proposal by the undersigned prior to September 24, 1975, a public hearing will be held on September 26, 1975 at 7:30 p.m.

# WI Flower Show gaining popularity

By Liz McLeod

After all the wind, rain and even frost around Calahoo, August 20 dawned foggy and then cleared for the 25 entrants into the Calahoo Women's Institute Flower and Vegetable Show in the Calahoo Arena.

The judge, Mr. Tony Jansen, took into consideration the inclement weather and its effects on the flowers especially and thought there was a very good display all things considered.

There were 260 entries of which many were vegetables and competition was good all around.

The WI members were very happy with the response of the many, including Mr. and Mrs. Mel Brown, who entered for the first time, in making this show the success it was.

There were 80 folks; including children who came to view the displays and enjoy coffee, tea and dainties, as well as a friendly visit.

Cash prizes were awarded to the following: Grand Aggregate - shared by Mrs. W. Elsie Hook of Onoway and Mrs. V. Betty Albrecht, Calahoo. WI member from Onoway. Aggregate in Flowers - Mrs. J. Elsie Williams

in Vegetables - shared by Mrs. J. Theda Verbeek, Calahoo, Mrs. Betty Albrecht and Mrs. Elsie Hook. Best Flower Arrangement - Mrs. W. Tillie Lehman, Onoway. Best Coffee Table Arrangement - Mrs. K. Mary Dalheim, Onoway. Best Blooming House Plant - Mrs. C. Adolma Bergstreiser, Calahoo. Best Foliage House Plant - Elsie Williams. Best Vegetable Arrangement - Mary Dalheim. Best Floral Arrangement - Tillie Lehman. Best Cottage - Elsie Hook.

The \$3 door prize went to

Mrs. G. Elsie Berry. First, second and third prize ribbons were awarded in every class and in the children's classes. Violet Brown got first for her vegetable collection. Jason Yoeman second, and Kelly McCann - third.

In the Wild Flower collection, Gregory Singer gained first and Jason Yoeman a third, and in pre-schoolers, Roger McCann got a third. On the table for display only, there were several bouquets and one dish of Nan King cherries off a tree at Betty Albrecht's place.

It was nice to see and visit

with Mrs. Florence Cameron from Alcomdale and to meet Mrs. M. Laura Stevenson who accompanied her daughter-in-law, Mrs. Ken (Eileen) Stevenson to the show, besides all the fine people in and around this district.

Before the day came to a close the draw was made on the paintings that the WI were selling tickets on to raise the History Fund. John Groppe was asked to make the draw and Vance Berry will cherish the larger painting by Annie Norris and the smaller painting was won by Mr. Isadore Krupa of R.R. 1 Vimy, Alberta.

Tickets are still available from the afghan and broomstick lace cushion, draw to be made at the Farmer's Market in Calahoo on October 25. Also to swell the history fund.

The Calahoo WI wish to thank each and everyone who entered and attended this fourth annual event, making it so successful.

Now we can plan for next year when Tony Jansen will again be the judge, around the same time, August 18 to be exact.

Congratulations to all the winners.

## Villeneuve runway to be built soon

The Villeneuve satellite airport project is expected to get off the ground this week with the award of a contract to a St. Albert firm for construction of one runway.

The airport will be built about 12 miles northwest of Edmonton and is intended for light aircraft up to 12,500

pounds. It will ease pressure on Edmonton Industrial Airport.

Ministry of Transport officials said earlier that work would start in the spring and the first runway would be in use this fall.

MoT officials are still hopeful the first runway will

be in use this fall, provided there is favorable construction weather.

Four tenders were received July 2 for construction of the northwest-southeast runway. Expiry date for award of a contract is September 2.

Lowest bid was \$857,965

submitted by Standard General Construction Ltd. of St. Albert. MoT policy usually is to accept the lowest bid.

Other bids submitted were Everall Construction Ltd., \$994,570., Peter Klewit Sons Co. Ltd., \$1,139,886., and Wells Construction Ltd., \$1,291,391.

Contracts in excess of \$500,000 require approval of the federal Treasury Board. The Villeneuve project has been in the board's hands for several weeks.

The MoT's agreement with the City of Edmonton is that the new airport will be fully operational by the fall of 1977.

Total estimated cost for the airport is \$3 million. There will be two main runways, a control tower, hangars and a public viewing area.

An M.O.T. sign shows passers where the new recreational airport is being built near Villeneuve. Work got underway last week under a contract with Standard General.

## Goldenagers meet in Gazebo

By Liz McLeod

How wonderful it is to get together for fun and games and even the weather co-operated for the regular bi-monthly meetings of the Goldenagers at Calahoo.

The members who live at Onoway seldom miss and together at the first meeting in

August, 33 pleasant friends and neighbors enjoyed togetherness, fun and games ending up with a short business session and then lunch.

On August 27th around 25 friends and neighbours met including Mr. and Mrs. Oscar Campeau, now in

Edmonton, and members at Calahoo also, for there's no place like home.

All the members are hoping Mrs. Fred Labonte of Calahoo will be out of hospital soon. So sorry you had to spend your birthday, August 20th in the Misericordia, Madeline, but the whole Goldenage Club are pulling for you.

Cards are played first and then all join in bingo at a penny a card, and this day our Onoway members were really lucky.

Famous last words: "Let Daddy show you how to ride that mini-bike, son."

Bruce: "Back from your vacation, eh? Feel any change?"

Reid: "Not a penny!"

Traffic officer: "Didn't you see that red light?"

Student driver: "Oh, officer, when you've seen one you've seen them all!"

# BON ACCORD VILLAGE NEWS

**By Sadie Allen**  
Cadet Squadron #524 will hold first parade of the season on Tuesday, Sept. 9 at 7:30 p.m. in the Bon Accord Community Centre. Girls and boys, 13 (by December 31) to 19 are eligible to join. Courses offered are varied and provide the young person with many skills that can be of value when cadet days are over. You are cordially invited to visit the squadron before making up your mind.

Good news for Bingo fans. The Bon Accord Lions will resume regular Sunday evening Bingos on September 14 at 7:30 SHARP, in the Bon Accord Community Centre. The jackpot starts off at \$500 in 48 numbers, decreasing by \$25 and going up by one number until won. \$1.50 gets you two master cards with extras going at five for \$1.00.

The baseball championship series was rained out again this past weekend but is scheduled to go again on September 7 at Westlock. Games start at 11:30 a.m., with Westlock meeting Linaria, Bon Accord vs Morinville at 2:30 p.m., and the finals at 5:30 p.m.

Bon Accord Midget girls softball team missed out on bringing home the bronze medal from the summer games at Red Deer by a slim three runs when they lost out to Edmonton by an 8-5 score in their final game. The girls had two wins to their credit, placing fourth in the eight-team entry. However, they surely placed first in TV coverage and appeared several times in the CTV film covering the games with acting coach Jacquie Morris

being interviewed by the announcer.

Congratulations and many happy returns to Mrs. Hazel Putnam on the occasion of her 72nd birthday on September 6th and to Mr. John Bland on his 76th on September 10.

## 4H BEEF CLUB BARBECUE PROGRAM

The Bon Accord 4H Beef Club held their annual barbecue on August 31. A delicious meal featuring barbecued steaks, salads galore and a variety of delicious pie topped off by ice cream (courtesy of Wes Spencer-Crown Catering and Spencer's Auction Service) was enjoyed by all present. Master chef was club leader Mr. Taras Ferbey, M.C. for the occasion was Rick Kreway. The program led off with the 4H pledge, followed by the introduction of the members by Murray Pawluk. Committees and adult committees by Connie Kreway and the parents by Linda Kushak. Guests were introduced by Betty Kushak. The club members enjoyed an interesting summer with many attending camps and seminars. Marsha Rigney reported on her trip to Goldey where she attended junior leaders camp, and her stay at Camp Machinicholea as a counsellor. Mark Ozipko attended the seminar held at Olde and also attended Conservation Camp at Sundre. David Uchacz reported on his trip to Olde. Interesting and varied reports on their stays at Camp Machinicholea were given by Murray Pawluk, Craig Ozipko and Greg Uchacz. Trophies were presented to the club members by the donors, where present. A report on

the record books was given by Mr. Dean Lewis, winner of the Royal Bank Trophy for first record book was Mark Ozipko, second place was Marsha Rigney. This trophy was donated by the Ferbey family in memory of their son and brother Patrick. Bon Accord Hotel trophy for best in showmanship went to Rick Kreway, Dodds and Sons for second in showmanship to Marsha Rigney. The ZAP Enterprises (Zendran and Pawluk, specializing in repair of snowmobile engines and sale of Rupp Snowmobiles) trophy for best in judging went to Gary Belecki, second place from Marie's Cafe to Marsha Rigney. Bon Accord Sales and Service trophy to Marsha Rigney for first in grooming, second place Rick Kreway received the Gib Paradis-Co-op Fuel trophy, Craig Ozipko and Karen Belzink tied for first place in best gain, Craig receiving the Flint Feeds, Morinville, trophy and Karen the Bon Accord Village Superette trophy. The Milligan Fertilizers trophy going to Connie Kreway for second best gain. Craig Ozipko won the Red-water Lockers trophy for reserve champion calf, Marsha Rigney the Bon Accord Industries trophy for grand champion and the Bon Accord Community Centre trophy for 4H efficiency winner for this year. Guest speaker was Mr. Young, representative for the Department of Recreation, Parks and Wildlife. Members received a framed certificate listing their achievements during their time in 4H and this year also received certificates from the Dept. of Youth, Culture and Recreation bearing gold emblems designating their years as 4H

Marsha Rigney and 4H Regional Grand Champion Calf. Marsha is a member of the Bon Accord 4H Beef Club.

# Letourneau - Shank Wedding

By Sharon Rempel  
St. Patrick's Catholic Church in Clyde was the scene of a beautiful wedding on August 9, 1975.

Pauline Marie, Shank, daughter of Mr. and Mrs. Philip Shank of Clyde exchanged vows in a double ring ceremony to Marcel Oscar Letourneau, son of Mr. and Mrs. Normand Letourneau of Legal.

Reverend Father Young officiated, with Miss Elaine Bilodeau playing the wedding music. The soloist was

Rachelle Letourneau, cousin of the groom, accompanied by guitarists Rachelle Naill, Cathy Montpeit, Angeline Auger and Claudette Bilodeau. The church was decorated with bouquets of gladioli, carnations and baby's breath.

Given in marriage by her father, Pauline looked beautiful in her banlon jersey knit gown, complimented with a slit neck and stand-up collar trimmed with pearls and sequenced daisies, and featuring a long matching train.

Her waist length veil and headpiece were also trimmed with pearls and daisies. Pauline carried a bouquet of yellow roses and carnations with sprigs of green leaves.

Susan Bokenfroh and Patsy Montpeit attended the bride in matching yellow polyester crepe gowns, with sheer elastic bodices. Large floppy hats with yellow nylon net completed their ensembles.

Dennis Letourneau of Edmonton, and Gerald Letourneau of Legal, brothers of the groom, were groomsmen, and Bob Letourneau of Edmonton, also brother of the groom and Roland Shank of Clyde, brother of the bride were ushers.

A reception and dance followed in the Legal Community Hall with a crowd of 375 persons enjoying the music of the Vibrations from Westlock.

Normand Rivard, friend of the groom proved to be quite a witty master of ceremonies. Brother-in-law of the bride, Jacques St. Martin gave the

toast to the bride.

For her daughter's wedding Mrs. Madeline Shank chose a floral gown with matching sheer jacket. Her accessories were silver shoes and purse, with diamond earrings. She wore a corsage of orange roses.

Mrs. Fernande Letourneau chose a beige polyester crepe gown with matching bolero jacket and gold trim. Her accessories were gold and white.

For their honeymoon, Pauline and Marcel motored through B.C. and Montana.

Pauline and Marcel will make their home in Edmonton.

Out of town guests included Mr. and Mrs. Leon St. Martin of Nanaimo, B.C., Mr. and Mrs. G. (Sonny) Shank of Fort St. John, B.C., Mrs. Connie McDonald and Geraldine Adams also from Fort St. John. Other guests came from Athabasca, Westlock, Red Deer, Edmonton, St. Albert and Mrs. Jim Dacyszyn of Leduc.

MR. & MRS. MARCEL LETOURNEAU

## Agricultural societies program supervisor appointed

J. L. Reid, acting assistant deputy minister of agriculture, has announced the appointment of Lillas M. Brown as supervisor of the agricultural societies program.

Mrs. Brown will be responsible for development and administration of policies for agricultural societies. She will be active in counselling communities wishing to form societies, and in assisting societies to carry out their programs.

Nearly 200 agricultural societies are active in Alberta at present. Mrs. Brown will be available to aid in developing

fair, garden shows and other programs. Enrichment and enhancement of life in rural areas of the province is the objective of the program.

Mrs. Brown was born in Carberry, Manitoba and raised in Winnipeg. Summer employment has included research in socioeconomic concerns of rural areas, and work as a lab and greenhouse assistant.

She graduated from the University of Alberta in 1975 with a B.Sc. in agriculture, with special interests in agricultural economics and rural sociology.

Len: This is a nice place, but the landlord asks too much for the rent."

Bill: "Really?"  
Len: "Yeah. Last week he asked for it five times."

Bruce: "I hear your friend talks to himself when he's alone. Is that right?"  
Reid: "I don't know. I've never been with him when he was alone."

# MORINVILLE MEMOS

North Central Alberta Baseball League had their finals rained out last weekend (August 31) along with many other Labour Day holiday events. The NCA Finals will be held September 7, in conjunction with harness racing, at Westlock. See times and locations in the sports page.

One thing that won't get rained out is the starting of school. Registration was held on Tuesday, September 2 and regular classes begin on Thursday, September 4 at 9 a.m. We will all have to exercise special caution around the schools, school buses and school children.

The rain may be hampering the farmers in their harvest efforts with their crops, but they seem to be able to bring to market their very good garden produce, which goes on sale each Saturday morning at 10 a.m. in the arena. In fact 'he

Farmer's Market has been so successful it is hoped it will be continued until the end of September.

Ladies, we won't have to admit our age, just our birthdays when the Lions Club blitzes the town September 15, 16 and 17 for their Birthday Calendar. Order forms will be premailed to residents of Morinville and surrounding area. These may be returned by mail if you miss the canvassers Blitz Night.

One of our "Frontier Dollies" was picked out of the kiddie lining Frontier Daze celebrations by the proverbial fellow "who could do something for you." Miss Jan Gibeau wasn't buying, but it turned out to be the Honourable Horst Schmidt who really only had culture on his mind; and Jan will join four dancers from Edmonton, one from Red Deer and one from St. Albert in an ethnic

dance exchange program with Korea and Japan. The 10 dancers and five government officials will leave on Wednesday, September 3 for three weeks, courtesy of the Provincial Government.

Congratulations Jan!

Registration for Guides and Brownies will be held September 10 at 7 p.m. at the Legion Hall.

Individually missed one

## Grand opening for Morinville ice plant

By Marg Bentz

On Sat 'day, September 6, at 7 p.m., Mayor Art Stapleton will cut the ribbon that will officially open the Artificial Ice Plant at the Morinville Arena. MLA Ernie Jamison and Minister of Parks, Al Adaire, have been invited to attend the ceremonies.

Andy Lee, from CFCW, the Morinville Drum and Bugle Band and the Frontier Dollies will provide the entertainment. The raffle ticket for the 1975 Plymouth Colt will also be drawn. Proceeds from the car raffle

and the harvest jamboree will go towards paying for the ice plant.

The harvest jamboree will begin at 9 p.m. in the arena, with the "Country Sound" providing the music. The Beer Gardens will be open from 7 p.m. till midnight. Admission for the dance is \$2.50 per person (18 years and over). Advance tickets are available from Ag. Society directors and business establishments in Morinville. Tickets will also be available at the door. Everyone is invited to attend.

## Namoo News

By Norma Crozier

Namoo Play School will begin on September 23. Children must be 3½ - 4½ years of age. For further information contact Mrs. Nettie Cameron - 799-5434.

September meeting of Namoo UCW will be held at the home of Mrs. Norma Crozier on September 10 at 1:30 p.m. Plans will be made for the fall supper which will be held on October 18 in the school auditorium. Any interested ladies are invited to attend the meeting.

The paper bin will be in the church yard at Namoo on September 24 from 9 a.m. - 9 p.m. Please tie your papers four ways flat so they can be stacked. Bins will be at Namoo every other month, next one in November.

Congratulations to Mr. and Mrs. Bruce Porter on the birth of a new grandson to Douglas and Diane Porter on August 26. Brian Douglas weighed in at 8 lbs. 2 ozs., another grandson too for Mr. and Mrs. Arthur Hailes of Camrose.

SHOWERS COMING UP

A shower will be held September 10 in the Community Hall at Namoo for Mrs. Theresa Stratton, nee Huber.

On September 11 a shower will be held at the home of Mrs. Gladys Gibson in honour of Donna Dubie.

On September 16 a shower will be held in the Community Hall honouring Colleen Crozier.

great grandmother in a birth announcement last week, so for the benefit of fellow scrapbook keepers...

Terry and Deb (Bokenfohr) Krauskopf of Kelowna, B.C. are now the proud parents of a bouncing baby boy. Jeffery August weighed in at 8 lbs. 3 ozs. and was born on August 11, 1975. (Terry and Deb's second wedding anniversary). Proud grandparents are Ernie and Evelyn Bokenfohr and Pat and Joe Krauskopf. Great grandparents are Mr. and Mrs. J. A. Bokenfohr and great-grandmother Mrs. Maria Van Lersberghe. Little Jeff is also lucky enough to have a great-great grandmother Luella Borle. Congratulations!

Mr. and Mrs. Alphonse Billo and their son Andrew were visiting at the home of their parents Mr. and Mrs. Augustin Billo for two weeks from Trenton, Ontario.

Condolences are extended to the family and friends of Joseph Meunier who passed away Friday, August 29, 1975. Mr. Meunier was a long-time resident of Morinville.

Registration for figure skating will be held on Tuesday, September 16 at 7

p.m. at the arena. For advance registration contact Rena Bland at Dryden Insurance. Fees payable at registration.

The opening of the new multi-purpose building will be held later in the fall when the building is completed. Plans are being made to hold an opening curling bonspiel for this occasion. Curlers, there are still slots available. Contact Ed Kryskow at 939-4243.

The Morinville United Church will be celebrating the 50th anniversary of the United Church of Canada by having a barbecue on September 7 in the late afternoon at the International Building on the Frontier Daze grounds. We welcome all members, participants or anyone wishing to meet members of the United Church, especially new residents in town. For further information call Jean Robinson at 939-4153 or Marg Middleton 939-2347.

Reader's co-operation in telephoning or bringing in the news is much appreciated and as early in the week as possible. Please phone 939-4145 or drop off at 9901 - 99 Avenue.

# GIBBONS NEWS

**By Karen Hogg**  
It's been a busy summer for the residents of Gibbons.

Mr. and Mrs. Earl Toane of Gibbons were in Nelson, B.C., in July, for a curling bonspiel which lasted for three days. The spiel was for men over sixty, and Mr. Toane put in a good show for Gibbons. Out of six games they won five and tied one. Coming in second in the first event, the team won a 31 piece ovenware set. Skip - Stan Yakabusky, third - Bill Dunbar, senior champ of the world for men over 60; second - Earl Toane; lead - Joe Tilley.

The John Graham families had a happy reunion with relatives from Salsburgh, Scotland. Mr. and Mrs. Archie Cochrane and Mr. and Mrs. Graham's two grandchildren Debbie and Denise came to Gibbons for a month stay, the grandchildren an extra two weeks. Going up to Banff, Jasper and Radium, was one of the many outings enjoyed by all.

Mr. and Mrs. Earl Yeo had company from Toronto, Massachusetts and Seattle. Mrs. Marlene Westphal and children Ralph and Katherine, niece and nephew of the Yeo's from Seattle. Mrs. Carol Sparling and Jennifer of Toronto, Fraser and Chris Gibbons also of Toronto. The second week in August Mrs. Yeo's sister and brother-in-law Louis and Mary Panne- in of Massachusetts were also a part of the Yeo's enjoyable summer.

Mr. and Mrs. Bea Swanke enjoyed the company of Mrs. Kathleen MacLeod of Abbotsford, B.C., during which they all went to Rochester to attend the golden wedding anniversary of Beatrice's mom and dad. Congratulations and best wishes extended from the Gibbons community.

Warm wishes to our new members of the community, Stanley and Wendy Brandie. Stanley worked for a bulk and retail company for eight years, being a supervisor for one. Wendy was a desk clerk for a wholesale company for two years. Edmonton became too big for the Brandies, along with too many job pressures, so they decided to move to Gibbons, where they own the Gibbons Handy-Mart, formerly "Patsy's." After one month of being here they are very happy, and are only missing the paved roads of Edmonton!

Mr. and Mrs. Earl Yeo are proud to announce the engagement of their only son Timothy James to Debbie Helen Ahlsten, daughter of Mr. and Mrs. Manfred Ahlsten of Edmonton. Wedding date is to be set in the new year.

The new board of directors for the Gibbons Agricultural Society are Wilfred Shaw - president; Ron Hostyn - first president; Clayton McWhirter - second president; Eric Abel - secretary; Bill Jensen - treasurer. Best of wishes and lots of support for the coming term.

Gibbons hockey players are reminded of the hockey school to be held September 15 to the 27 from 4 o'clock - 8:30. Coach to be Len (The Comet) Haley.

The Gibbons Legion is reminded of their first regular meeting on Monday, September 8.

The Gibbons firemen have their meetings every third Wednesday of the month. Any residents interested in

joining are asked to give Fire Chief Earl Yeo a call at 799-9323.

The Gibbons Lions meet every second and fourth Monday at 7 o'clock at the Community Hall. They will be holding a bingo on Sept. 22 - time to be announced. So warm up your chips Mrs. Coley.

The Hall Board will be holding a beefsteak on Sept. 20th. Doors open at 8:30 with the music of the "Good

Vibrations." Tickets available at the Post Office, or from any Hall Board member.

Any parents interested in organizing a tiny tots program for Gibbons is asked to contact Mrs. Pat Wandler at 799-9626. Children must be age three prior to February, 1975.

Best wishes to Mrs. Kerr and we hope you are feeling better.

## THE LAST ROUND-UP (Gibbons Senior Citizens)

The Gibbons Last Round-up held a regular meeting at the Legion Hut on August 28. There were 33 members present, also three visitors - Mrs. Todd from Devon, came with Dawsons', Mrs. Johnson from Calgary with the Shaws, and Anne Brennan from Bon Accord with Carletons. Bingo was played for grocery prizes. Lunch included a beautifully decorated birthday cake sent by Della Gibbons, this is a Sunday School Circle project. Everyone sang "Happy Birthday" to those members who celebrated August birthdays.

There were several items

of correspondence dealt with. A very nice letter from Marj Chamberland bidding us good-bye and wishing the members her very best. She also thanked them for their co-operation the three years she had been in charge of senior citizens programs for the Sturgeon Regional Recreation Council.

There was a lengthy letter from council on the Aging which we have already joined as an association. Anyone wishing to join as an individual may do so, membership is \$2.00.

A letter was read from Sturgeon Regional Recreation Council, outlining grants and procedure in obtaining same. A committee of Reg Austin, Wilfred Oliver and Don Bevington was nominated to look into the matter. The matter of another "Day Trip" did not bring any suggestions. Cathy Shaw reported she had received no reply to her inquiry about one. Meeting was closed by singing "The More We Get Together."

Anyone wishing to have news put in the paper is asked to phone me at 799-9384 or leave it at the Post Office, Box 21. Thank you.

## Alcoholic center has new director

Roland Dion, a 35 year old former counsellor in the Boyle Street area, has been named executive director of Poundmaker's Lodge, a rehabilitation centre for native alcoholics.

Mr. Dion said he planned no major changes but will stress greater community involvement in the program. This means using more

outside consultants and telling the community about activities in Poundmaker's Lodge, he said.

Poundmaker's Lodge is a 23-bed facility three miles east of St. Albert that offers counselling to native alcoholics. The program is geared for native people and run by an all-native staff.

## Notice of Public Hearing

The Council of the Village of Gibbons having been given authority under Section 26.2(1) of the Planning Act to dispose of a portion of the reserve land on Lot 1-R, Block 24, Plan 4089 T.R. will hold a public hearing, if necessary.

The purpose of the disposal is to provide a proper location for the Northwestern Utilities Regulator Station.

The proposed plan may be examined between the hours of 9 o'clock A.M. and 5:30 P.M. in the office of the Secretary-Treasurer of the Village of Gibbons.

The public hearing, if necessary, will be held in the village office on the 17th day of September, 1975 at 7:30 p.m.

Written objections to the proposed disposal of reserve land will be received by the Secretary-Treasurer at her office until 12 o'clock noon on the 17th day of September, 1975.

**Maisie Mettrunc**  
Secretary-Treasurer.

# "Hello Gibbons" We're moving our shingle two blocks east.

Join the crowd and come to the grand opening of the Royal Bank's new premises two blocks east of their present location on Thursday, September 4th. We will be serving coffee and donuts from 10 A.M. to 3 P.M. Ed Akerstrom, our manager, will look forward to meeting you and the family anytime during business hours and invites you to drop in.

Mayor "Snip" Lobick will officially open the bank at a ribbon cutting ceremony on September 4th. So come in and meet the staff who will help Ed Akerstrom help you. They all welcome the opportunity to say hello and help you in any way they can. Ask the helpful bankers any questions you may have.

Meet the helpful bankers:

Ann-Mary Hryciuk  
Dianne Skulmoski  
Cecile Morin  
Linda Adams

Telephone: 799-3301.

Hours of Business:

Monday through Wednesday:

10:00 a.m.-12:30 p.m.

1:30 p.m.-3:00 p.m.

Thursday:

10:00 a.m.-12:30 p.m.

1:30 p.m.-6:00 p.m.

Friday:

10:00 a.m.-12:30 p.m.

1:30 p.m.-3:00 p.m.

Ed Akerstrom welcomes old and new customers to the new premises of his branch of the Royal Bank and invites you to discuss your banking needs with him.

There are 133 branches of the Royal Bank in Alberta.
